A006 Marital Status

A006 Marital Status - Key

*‘No response’ indicates that the respondent was not routed to the question or the respondent did not answer

A006

Marital Status

- 1 “Spouse in household”
- 2 “Spouse not in household”
- 3 “Cohabitee”
- 4 “Single”
- 5 “Widowed”
- 6 “Divorced”
- 7 “Separated”
- 8 “Civil Partner in HH”
- 9 “Civil Partner not in HH”
- 10 “Former Civil Partner”

DvAge: Age for whole sample (derived from Birth and Agelf)

LivWth12: Is respondent living with someone in this household as a couple?

- 1 “Yes”
- 2 “No”

MarChk: Is spouse/partner member of household?

- 1 “Yes”
- 2 “No”

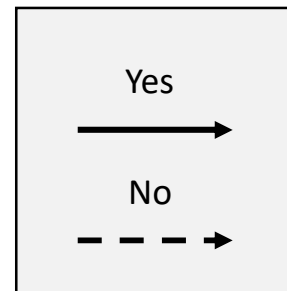

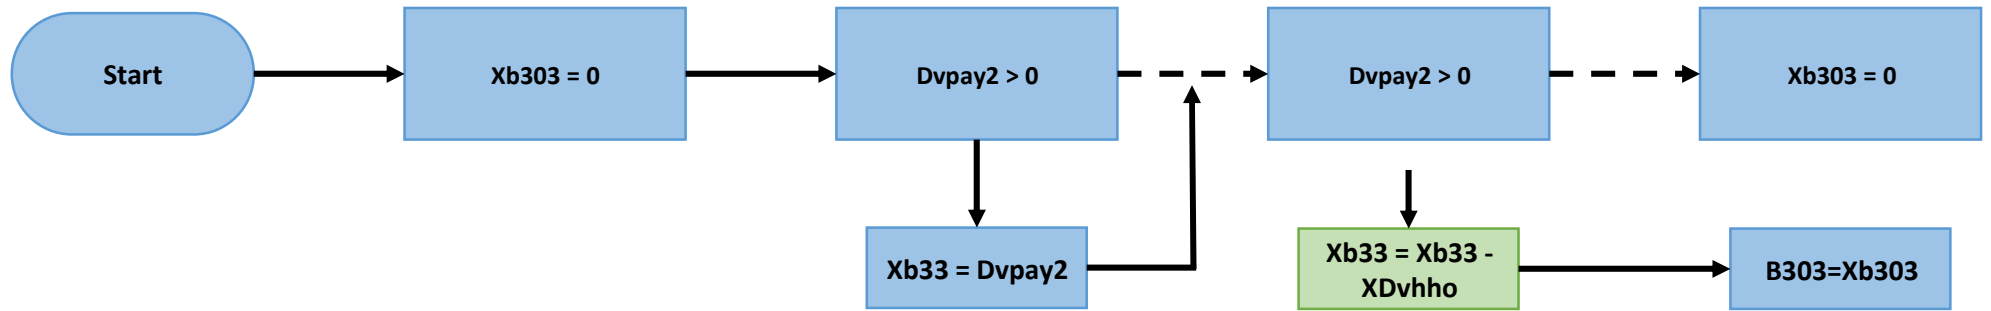

MarStaB: What is the legal marital status of the respondent?

- NevMarr: “Single, that is never married”
- Married: “Married and living with your husband/wife”
- CivPart: “A civil partner in a legally-recognised Civil Partnership”
- Separated: “Married and separated from your husband/wife”
- Divorced: “Divorced”
- Widowed: “Widowed”
- SepPart: Spontaneous only – “In a legally-recognised Civil Partnership and separated his/her civil partner”
- DivPart: Spontaneous only – “Formerly a civil partner, the Civil Partnership now legally dissolved”
- SurPart: Spontaneous only – “A surviving civil partner: his/her partner having since died”

Month: Sample month

Year: Sample year

A200 Employment status

0 Not recorded

1 Employee

2 Self-employed or employer

3 Out of employment seeking work within last 4 weeks & available to start a job

4 Out of employment waiting to start a job already obtained

5 Sick or injured

6 Retired including Job Release Scheme

7 Unoccupied

Busacct In job/business were annual business accounts prepared for HMRC for tax purposes?

1 Yes

2 No

3 Not yet, but will be

ChecktaxB Was either income tax, or regular National Insurance contribution deducted at source?

1 Income tax deducted

2 Regular NI deducted

3 No, neither deducted

ChkincomA Self-Employment: Was respondent's average income of [amount] before or after tax or national insurance was deducted?

1 Before

2 After

ChkinDed Is this before or after income tax was deducted at source?

DvNIDB Derived from NIDAmt to give a weekly amount -(NIDAmt - Self-employment: How much National Insurance was deducted last time?)

Dvownamt Derived from OwnAmt to give a weekly amount -(OwnAmt -Thinking of the last 12 months, on average how much did you take each month for these non-business purposes?)

Dvownot Derived from OwnOtAmt to give a weekly amount- (OwnOtAmt -On average, how much is that each month?)

Dvprbef Derived from PrBefore to give a weekly amount -(PrBefore -What was (the respondent's share of) the profit before tax?)

DvProf Derived from Profit2 to give a weekly amount -(Profit2 -Profit/loss amount)

Dvseinc Derived from Selnc to give a weekly amount -(Selnc -On average, what is the respondent's weekly or monthly income from this job/business over the last 12 months (after paying for any materials, equipment or goods that the respondent use(d) in their work?)

Dvtaxd Derived from TaxDAmt to give a weekly amount -(TaxDAmt -How much Income tax was deducted last time?)

Ownsum Is money drawn from work account for any non-business purposes?

1 Yes

2 No

Profit1 What was the profit/loss amount?

Profit2 Does Profit1 refer to profit or loss?

1 Profit

2 Loss

Proftax Is the figure before deduction of income tax?

1 Before tax

2 After tax

Workacc Is there a separate bank or building society accounts for work and private finances?

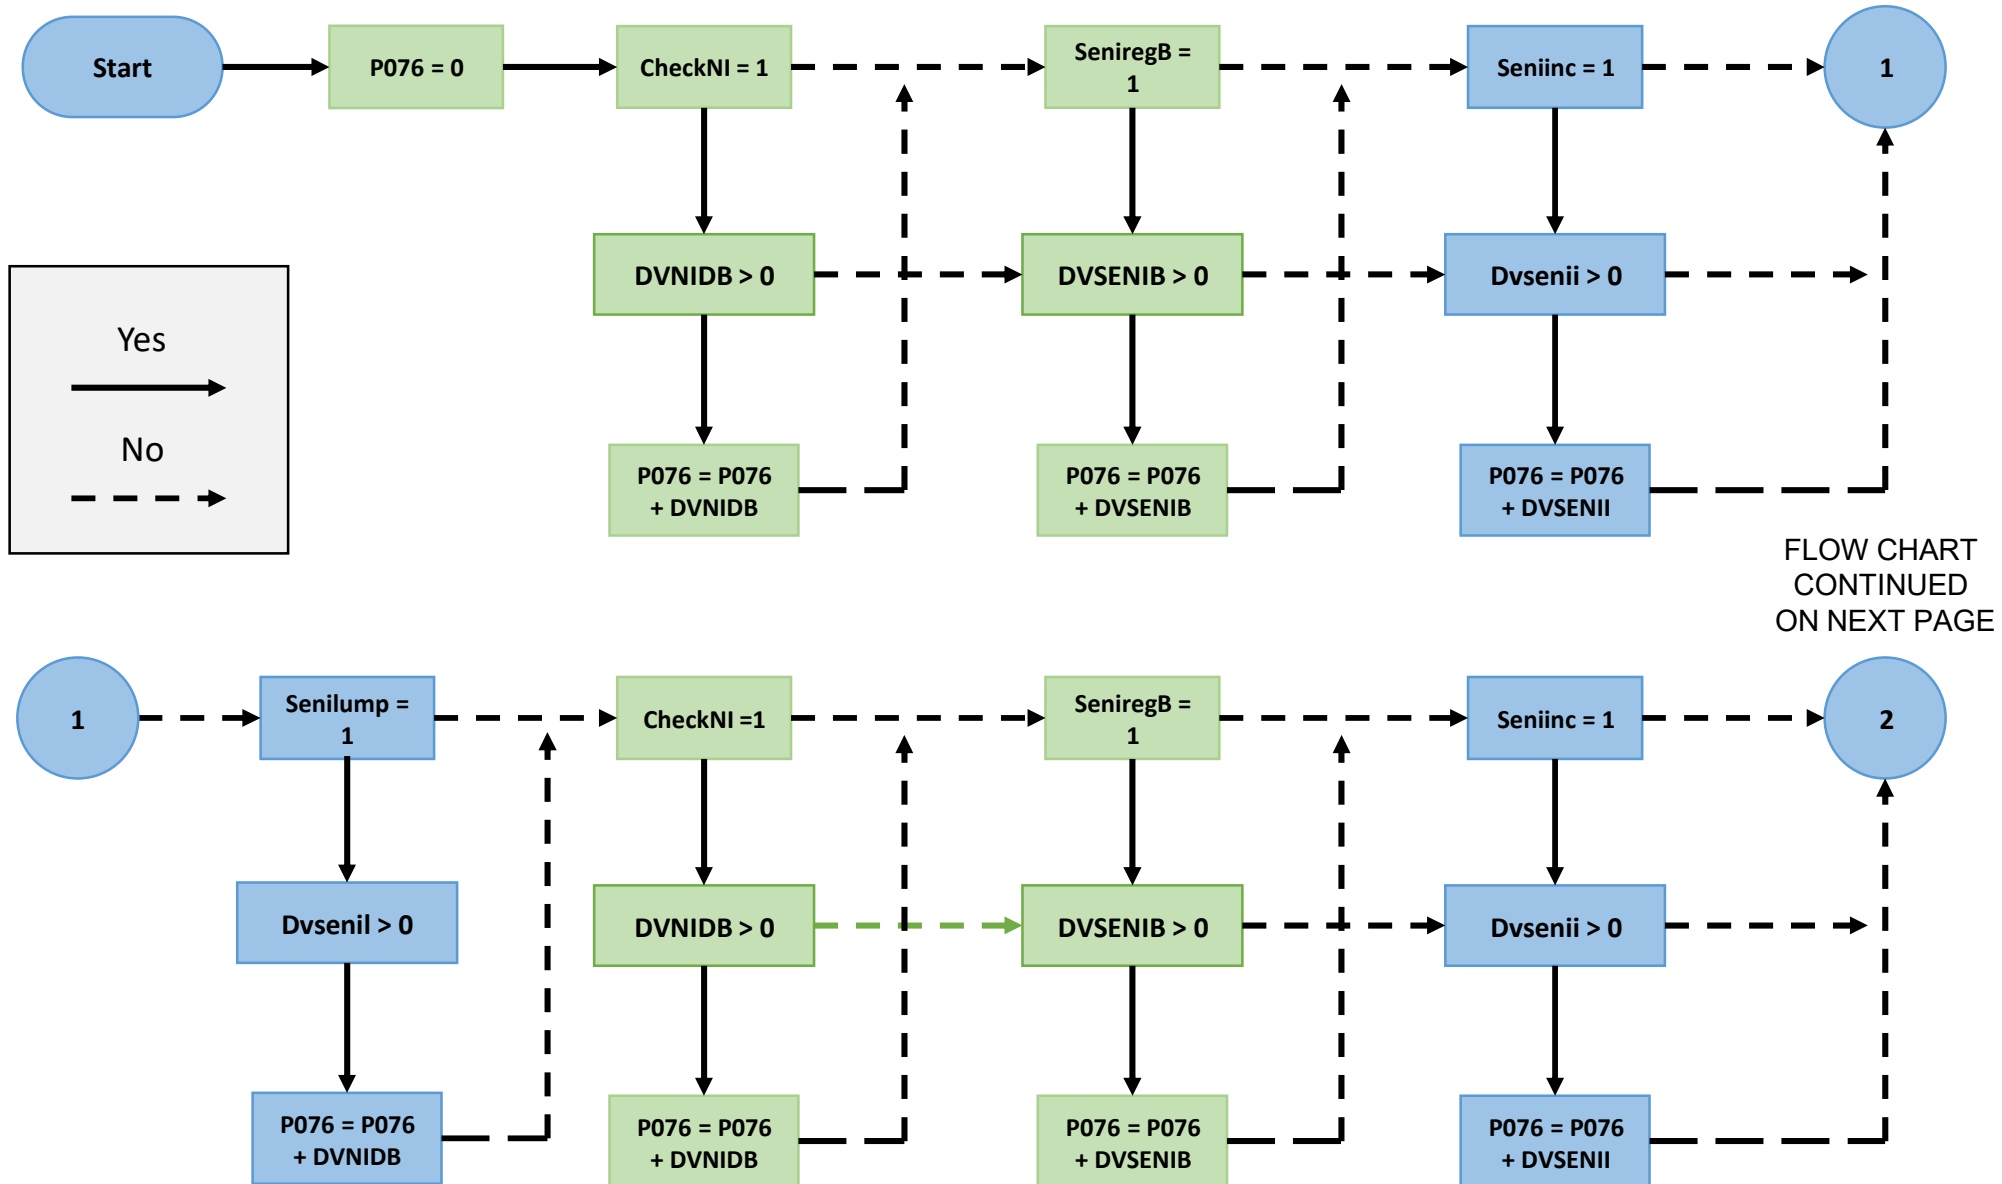

1 Yes

2 No

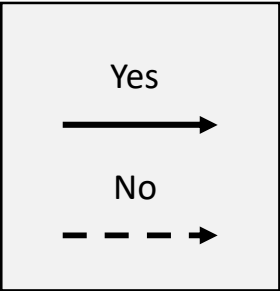

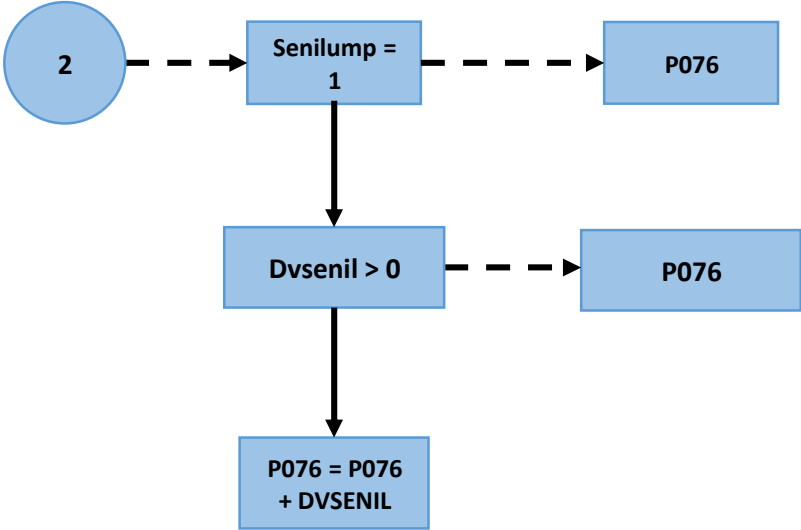

Xp047 Temporary variable used in calculations – Main or only occupation: Self employed – amount of gross income.

This temporary variable is used to calculate and store the total amount of Income tax and National Insurance paid by the respondent; this is used later in the routing.

P076 S/E NI contributions paid last 12 months

P076 S/E NI contributions paid last 12 months

KEY

A200 Employment status

0 Not recorded

1 Employee

2 Self-employed or employer

3 Out of employment seeking work within last 4 weeks & available to start a job

4 Out of employment waiting to start a job already obtained

5 Sick or injured

6 Retired including Job Release Scheme

7 Unoccupied

Busaccts In job/business were annual business accounts prepared for HMRC for tax purposes?

1 Yes

2 No

3 Not yet, but will be

ChecktaxB Was either income tax, or regular National Insurance contribution deducted at source?

1 Income tax deducted

2 Regular NI deducted

3 No, neither deducted

CheckNI

DVNID Derived from NIDAmt to give a weekly amount –(NIDAmt – Self-employment: How much National

Insurance

was deducted last time?)

DvnidB

Dvownamt Derived from OwnAmt to give a weekly amount –(OwnAmt -Thinking of the last 12 months, on average

how

much did you take each month for these non-business purposes?)

Dvownot Derived from OwnOtAmt to give a weekly amount– (OwnOtAmt -On average, how much is that each month?)

Dvprbef Derived from PrBefore to give a weekly amount –(PrBefore -What was (the respondent's share of) the profit before tax?)

DvProf Derived from Profit2 to give a weekly amount –(Profit2 -Profit/loss amount)

Dvseinc Derived from Selnc to give a weekly amount –(Selnc -On average, what is the respondent's weekly or monthly income from this job/business over the last 12 months (after paying for any materials, equipment or goods that the respondent use(d) in their work?)?)

DvseincB

Dvtaxd Derived from TaxDAmt to give a weekly amount –(TaxDAmt -How much Income tax was deducted last time?)

Ownsum Is money drawn from work account for any non-business purposes?

1 Yes

2 No

Profit1 What was the profit/loss amount?

Profit2 Does Profit1 refer to profit or loss?

1 Profit

2 Loss

Proftax Is the figure before deduction of income tax?

1 Before tax

2 After tax

Workacc Is there a separate bank or building society accounts for work and private finances?

1 Yes

2 No

Xb3262 Temporary variable used in calculations – First subsidiary job: Self employed – amount of gross income.

This temporary variable is used to calculate and store the total amount of Income tax and National Insurance paid by the respondent; this is used later in the routing.
